## **A Call to Serve: Opportunity with NeighborImpact's Resource Development Committee**

NeighborImpact, a private, non-profit organization dedicated to improving the lives of economically disadvantaged Central Oregonians, is looking to give interested individuals the opportunity to serve on the Board of Director's Resource Development Committee.

The Resource Development Committee is looking for people who are passionate about helping others and are willing to share their enthusiasm. The Resource Development Committee is charged with organizational fundraising and garnering community support. If you are interested in meeting others who share your passion and commitment to a better community, please consider this opportunity.

Serving on a committee allows individuals to help out while learning more about NeighborImpact and can be a stepping stone to becoming a member of the Board of Directors.

For more information regarding board and/or committee memberships please contact Holly Hutton at 548-2380 extension 106 or hollyh@neighborimpact.org. To find out more about NeighborImpact, its programs and clients, please visit [www.neighborimpact.org](http://www.neighborimpact.org)
