History/Mission: NeighborImpact is dedicated to empowering individuals and families to succeed and become engaged citizens in the community.

Founded in 1985, NeighborImpact is a private not-for-profit organization which serves all of Crook, Deschutes and Jefferson counties. We envision a Central Oregon where residents, regardless of their income status, have hope and optimism, and have access to community resources that see them through times of need.

NeighborImpact provides a diversity of services that not only meet basic human needs for food and shelter, but also enrich people's lives by providing access to increased education, skills, and hope for the future. Our services assist people to become more independent and self-sufficient, recognizing there is a continuum of support that all people need throughout their life.
