On January 4th of this year, Tim Malcolm and Kirsten L'Orange, founders of The Civic Projects, began a 14,000-mile cross country journey to promote social awareness and service by volunteering at 50 community organizations in 50 states in 50 days. The cross-country journey is also serving as a fundraiser for the 50 non-profit organizations in which The Civic Projects will be donating their time.

On February 19th the Civic Projects will be arriving in Central Oregon to help bring awareness to community-based service organizations hard-pressed by today's economic climate. Partnering with NeighborImpact, The Civic Projects will be serving within the agency's Food Program and Head Start. "In light of the current economic environment, there has never been a better time or better motivation to volunteer," Kirsten said. All of the funds accrued during Tim and Kristen's journey will be equally divided among the 50 organizations visited throughout their 50 day journey.
