Dine out for Hunger

Deschutes Brewery has organized a “Dining Out for Hunger” fundraiser on June 9th, Kebaba, Hola, Astro, Chow, and Spork is also participating. Each restaurant is contributing a percentage of the night’s proceeds to supporting NeighborImpact’s capital campaign for the expansion of the food warehouse.

NeighborImpact’s Food Bank expansion will substantially increase the region’s capacity to meet the hunger needs of Central Oregonians.

- Increase freezer capacity by over 100% to meet the growth in frozen food received through the local Fresh Alliance™ pick ups
- Increase the pounds of locally recovered fresh food to over 800,000 per year.
- Add new capability to repackage food and clean the bins used to pick up over 60,000 pounds of food each month from local stores through Fresh Alliance™
- Double the square footage available for storing non-perishable foods allowing for more local donations and more food to be transported from Oregon Food Bank
- Create a repack area that will grow community involvement by increasing volunteer opportunities
- Donate existing 220 square foot walk in freezer to St Vincent De Paul in Prineville to increase its capacity to store and distribute food
