Give your child a Head Start!

Who: NeighborImpact's Head Start Program

What: Recruiting Children and Families for the 2008-2009 School Year

When: 10:00 AM to 7:00 PM Friday May 9, 2008

Where: Locations in Bend, Redmond, Prineville, LaPine and Sisters

Why/How: NeighborImpact Head Start staff will be recruiting children and families for next school year at Wal-Mart and Food 4 Less in Bend, Wal-Mart in Redmond, Price Slasher in Prineville, Shop Smart in LaPine, and Rays in Sisters from 10 AM to 7 PM Friday May 9 passing out applications, and assisting families in filling them out.

Summary: NeighborImpact's Head Start Program is dedicated to helping ensure that children ages 3 and 4 from income qualifying families are **ready for school**. The Head Start Program is now accepting applications for the 2008-2009 school year. Head Start builds success for children through child focused, family-centered services that enhance social competence, school readiness and overall health and well-being. Children are provided a free high quality preschool education, which includes individualized curriculum, nutritious meals, health and developmental screenings. Head Start Classes are available throughout Crook and Deschutes counties. Space is limited. It is important that families apply as soon as possible. "The USDA and the State of Oregon are equal opportunity providers and employers".
