‘HUNGRY ALL YEAR LONG’ CANNED FOOD DRIVE HAS BIG EYES

The “Hungry All Year Long” Canned Food Drive has big eyes set on a prize – of 7,000 pounds of non-perishable food. It is hoped, that with more than 50 participating businesses to host collection bins, that this goal can be reached by collecting throughout the month of June.

“The 7,000 pounds goal is also in order to try to *double* what NeighborImpact *usually* receives in the summer months and to not let the agency fall short during the summer months simply because its not the holidays –*when the agency receives up to 40,000 lbs of food,*” said Laura George, the Food Drive organizer and Marketing Manager of Summit 1013 Exchange.

The food drive itself is a benefit for NeighborImpact that also inaugurates Summit Exchange 1031. The choice was significant because, according to George, “NeighborImpact is more than assistance for the destitute. They are an important community resource for many hard-working Central Oregonians.”

NeighborImpact Food Program Coordinator Steve Murray confirms this point, adding, “45 percent of people who regularly receive food boxes have at least one member of the household that is working.”

Members of the community are invited to donate both canned and non-perishable food items. Volunteers are sought to distribute collection bins and/or be part of collection.

The Food Drive will commence on June 1st and run until June 30th.
