Who: New Generations Child Development Center and NeighborImpact

What: New Head Start program serving the Sunriver/Three Rivers Community in collaboration with New Generations Child Development Center

When: January 2009

Where: New Generations Child Development Center

Why: Early Education matters to children, families and the community. By offering Oregon PreKindergarten Head Start services in partnership with New Generations Preschool, families from all economic levels will have access to high quality comprehensive, family-centered early education for their children. This project brings Head Start services into the local Sunriver/Three Rivers Community and increases the availability of community preschool services.

How: Families can pick up applications at the New Generations Child Development Center at 56840 Venture Lane, Sunriver, OR 97707, or call NeighborImpact's Head Start program at 548-2380 ext. 127 or toll free 866-292-0143 Ext. 127. Head Start applications can also be downloaded at www.neighborimpact.org.

Summary: Exciting news! Beginning January 20, 2009, New Generations Child Development Center and NeighborImpact's Oregon Prekindergarten Head Start program will provide a high quality early education program in the Sunriver/Three Rivers community. Children will be provided a high quality preschool education four days a week which includes individualized curriculum, nutritious meals, and family involvement at the New Generations Child Development Center. Children from low-income families can access the preschool for free through participation in the Oregon PreKindergarten Head Start program. Head Start builds success for children through child focused, family-centered services that enhance social competence, school readiness and overall health and well-being.

NeighborImpact, New Generations and the USDA and the State of Oregon are equal opportunity providers and employers.
