#### **NeighborImpact – Empty Bowls Event** – Date: Sunday, October 27, 2024

We invite local artists to join us in the fight against hunger. An “empty bowl” serves as a reminder of the many individuals who go hungry on a daily basis.

Yes, I will support NeighborImpact and its food program. I know that NeighborImpact’s Empty Bowls event needs approximately **1,000 bowls** to make the event successful and to support its efforts to feed Central Oregon’s hungry.

To this end I pledge to donate \_\_\_\_\_ bowls for this event, **to be completed no later than October 1, 2024.**

As a way of recognizing your support of Empty Bowls in some small way, NeighborImpact is able to provide clay to those who request it. (50 lbs. for every 25 bowls pledged) We will have clay available beginning August 10, 2024 (Trail Mix from George’s).

YES, I would like to receive \_\_\_\_\_ lbs. of clay. (Multiples of 50 lbs.)

Artists who give their time and create wonderful bowls in support of NeighborImpact’s Empty Bowls event will also receive:

- Two complimentary tickets to the Empty Bowls event  
(We want to recognize you at the event and give guests the opportunity to meet the pottery artists.)
- An invitation to celebrate success at a thank you event
