# Programs & Services

## COOLING ASSISTANCE

NeighborImpact has funds available to pay electricity bills for households with at least one member who is included in one of the groups below:

- Age 60 years and over
- Receives disability benefits through SSA or VA

# SUMMER COOLING PROGRAM

The application cycle will remain open until July 19, 2024 or until 450 applications are received.

## Questions?

Contact us at 541-504-2155  
or [ea@neighborimpact.org](mailto:ea@neighborimpact.org)

NeighborImpact  
Energy Assistance

- Children aged 17 years or younger

The application cycle will remain open until July 19, 2024 or until 450 applications are received, whichever comes first.

[Learn More](#)

## HEAD START

Head Start provides FREE high quality pre-kindergarten support and education to families with children ages 3-5. NeighborImpact's Head Start program operates preschool classrooms at 12 sites across Deschutes and Crook counties and is accepting applications for the 24-25 school year.

[Apply Now](#)

## RENT ASSISTANCE

Rental Assistance opens for applications on the first business day of each month and closes when funding for the month is fully committed. This funding is limited and applications are prioritized based on need, not on a first-come first-serve basis. We are not able to help all households that apply and can only assist each household a maximum of one time in a 12-month period.

[Learn More](#)

## EARLY HEAD START

Early Head Start provides pregnant women and children ages 0-3 with family support, weekly home visits, health assessments and monthly playgroups. Children graduating Early Head Start automatically transition to NeighborImpact's Head Start program.

## WEATHERIZATION

NeighborImpact can reduce homes' energy bills with free energy saving measures like:

- Attic, floor and wall insulation
- Duct sealing and insulation
- Air sealing
- Replacement or repair of inefficient appliances
