Now Accepting Applications

EARLY HEAD START

Early Head Start provides pregnant women

and children ages 0-3 with family support, weekly home visits, health assessments and monthly playgroups. Children graduating Early Head Start automatically transition to NeighborImpact's Head Start program.

[Apply Now](#)

WEATHERIZATION

NeighborImpact can reduce homes' energy bills with free energy saving measures like:

Attic, floor and wall insulation

Duct sealing and insulation

Air sealing

Replacement or repair of inefficient appliances

LESS COST,
MORE COMFORT

HEAD START AWARENESS MONTH

October is Head Start Awareness Month! NeighborImpact's Head Start is a crucial program that serves over 800 children from low-income families by providing them with a framework meeting their social, emotional, psychological, nutritional, and health needs.

[Learn More](#)

ENERGY ASSISTANCE

NeighborImpact has energy assistance funds available to low- and middle-income households. We can help with electricity, natural gas, fuel oil, propane, wood and sometimes water.

BEND FILMMAKER, NEIGHBORIMPACT SHED LIGHT ON DIVERSE COMMUNITIES AT FILM FESTIVAL

The video project entitled "Spotlight," produced by Bend filmmaker Felipe Santacruz, celebrates both the diversity of Central Oregon and those who are working to make the community more equitable and inclusive. Made up of three short films, the project highlights work in the Latinx, LGBTQ+ and disability communities.

SIMPLY THE BEST

Each year, NeighborImpact's Weatherization program undergoes an audit which evaluates the program's quality and effectiveness through a series of rigorous interviews, file reviews and field inspections. This year, our program achieved the highest rating possible—the only weatherization program in the state to earn an exemplary rating.
