At a glance…

NeighborImpact is Central Oregon’s largest nonprofit organization serving 55,000 people annually in Crook, Deschutes and Jefferson counties and the Confederate Tribes of Warm Springs. The services offered by our organization are designed to assist people in building a future for themselves and their families while recognizing that for some people, a continuum of support may be needed throughout their lives.

The Food Bank Program is the regional affiliate of the Oregon Food Bank. The program collects and distributes over 2.6 million pounds of food to 40+ local agencies in Crook, Deschutes, and Jefferson Counties and at the Confederate Tribes of Warm Springs every year. Twenty-thousand individuals are helped at emergency food sites every month during the year.

The Head Start Program strengthens families and closes the achievement gap for over 500 of Central Oregon’s most vulnerable and at risk pre-school age children annually. Head Start integrates high-quality early education with other critical services.

Child Care Resources offers training, technical assistance and business support to child care resource providers in Central Oregon. Child Care Resources also supports child care providers through and builds the infrastructure of child care in Central Oregon.

Housing Stabilization assists homeless families and households dealing with an immediate housing crisis by providing rent subsidies and services as funds allow. NeighborImpact’s family shelter, known in our community as Nancy’s House, has the capacity to provide short-term housing and case-management services for up to five homeless households with children at a time. All requests for assistance must be initiated through the 211 system.

The Energy Assistance Program aids qualified households by paying a portion of their heating costs. Services include utility shut-off prevention, heating assistance with electricity, natural gas, oil, propane, wood, and pellets, as well as referral to other services in the community.

HomeSource offers a variety of programs and services to help people manage, grow and protect their money and assets. Our Financial Fitness workshops are a four-part series that covers all aspects of budgeting, saving, investing, and improving credit. The homebuyer education workshop explains the home purchase process in detail. Individual coaching is available for foreclosure prevention, reverse mortgage, budget, credit, and the IDA matched savings program. The IDA matched savings program can be used to purchase or rehabilitate a home, start or expand a business, pursue higher education, or purchase a vehicle for employment purposes.

The Loan Program offers a variety of loan products at reasonable interest rates. Loans are made based on availability of funds and ability to meet income guidelines. Loans are made only for certain purposes, including home rehabilitation, septic replacement, micro-enterprise, and down-payment assistance.

The Weatherization Program provides construction services to add insulation and repair heating systems for income-qualified clients so homes can be warmer with lower heating bills.

Energy Education classes provide clients with methods to control energy expenses in their home and to promote health and safety as it relates to energy usage.

Hire and annually evaluate the executive director.

Establish board of directors’ service agreement with job description, responsibilities and rights.

Establish and implement process to select, elect and orient new directors.

Rights of Directors

1. To be fully informed about responsibilities, time commitment, financial commitment, and liability before accepting the position of a director.

2. To be fully informed through accurate financial reports, management reports, regular and thorough briefings by staff, etc., about the operation of NeighborImpact.

3. To expect that a director’s time will not be wasted by lack of planning, coordination, and cooperation within NeighborImpact or within the board.

4. To be assigned duties which are worthwhile and challenging, with opportunities to use existing skills or develop new ones.

5. To be able to decline an assignment if it is felt that the match of skills, personal time and interests is not appropriate.
6. To have successful board and committee experiences that provides opportunity for personal growth.

7. To be trusted with confidential information that will enable a director to carry out assignments and fulfill responsibilities.

8. To know whether the director’s work is effective and what results have been obtained.

9. To be recognized at appropriate times for a director’s work and involvement as a member of the board of directors.

I have received, reviewed and understand the foregoing NeighborImpact board of directors service agreement.
