#### INDEPENDENT AUDITORS' REPORT

To the Board of Directors NeighborImpact Redmond, Oregon

#### **Report on the Financial Statements**

We have audited the accompanying consolidated financial statements of NeighborImpact (a nonprofit organization) and Affiliate, which comprise the consolidated statement of financial position as of June 30, 2019, and the related consolidated statements of activities, functional expenses and cash flows for the year then ended, and the related notes to the consolidated financial statements.

#### Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these consolidated financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

#### Auditors' Responsibility

Our responsibility is to express an opinion on these consolidated financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in Government Audit Standards, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the consolidated financial statements are free of material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the consolidated financial statements. The procedures selected depend on the auditors' judgment, including the assessment of the risks of material misstatement of the consolidated financial statements, whether due to fraud or error. In making those risk assessments, the auditors consider internal control relevant to the entity's preparation and fair presentation of the consolidated financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant

accounting estimates made by management, as well as evaluating the overall presentation of the consolidated financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

#### Opinion

In our opinion, the consolidated financial statements referred to above present fairly, in all material respects, the financial position of NeighborImpact and Affiliate, as of June 30, 2019, and the changes in their net assets and their cash flows for the year then ended in accordance with accounting principles generally accepted in the United States of America.

The Organization operates its food program under a contract with FeedingAmerica, which coordinates its work in Oregon through the Oregon Food Bank. Feeding America is a nationwide network of food banks and the nation's leading domestic hunger-relief charity. Feeding America feeds 46 million people annually through approximately 60,000 food pantries and meal programs. The Organization receives food commodities through its affiliation with FeedingAmerica and the Oregon Food Bank.

Resource Development – the Organization is supported in part through community donations. The Organization operates a fundraising and resource development program which seeks support from individual donors, foundations and corporations. Funds raised are used as local match for federal and state resources, program enhancement and to underwrite administrative costs (including fundraising costs) not permitted to be funded by federal and state funding. Total funds raised in 2018-2019 were \$1,064,629. As part of its Resource Development Program the Organization maintains a Board designated quasi-endowment, managed by the Oregon Community Foundation. Principal from the quasi-endowment is preserved and interest is distributed, 50% in support of operations and 50% to build endowment corpus.

#### **Consolidation Policy**

The accompanying consolidated financial statements include the accounts of NeighborImpact and Community Action Foundation of Central Oregon (CAFCO).

The Organization has control over appointments to the Board of CAFCO, so consolidation is required under accounting principles generally accepted in the United States of America. Once appointed, the Organization does not have the ability to remove Board members of CAFCO and does not control the activity of CAFCO. Inter-organization transactions and balances have been eliminated in consolidation.

#### **Basis of Accounting**

The accompanying consolidated financial statements have been prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America.

#### **Basis of Presentation**

The financial statements are presented in accordance with accounting principles generally accepted in the United States of America for not-for-profit organizations which require the Organization to report information regarding its financial position and activities according to the following net asset classifications:

#### NOTE 1 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES – CONTINUED

#### Basis of Presentation - Continued

**Net assets without donor restrictions:** Net assets that are not subject to donor-imposed restrictions and may be expended for any purpose in performing the primary objectives of the organization. These net assets may be used at the discretion of the Organization's management and the board of directors.

**Net assets with donor restrictions:** Net assets subject to stipulations imposed by donors, and grantors. Some donor restrictions are temporary in nature; those restrictions will be met by the actions of the Organization or the passage of time. Other donor restrictions are perpetual in nature, whereby the donor has stipulated the funds be maintained in perpetuity.

Donor restricted contributions are reported as increases in net assets with donor restrictions. When a restriction expires, net assets are reclassified from net assets with donor restrictions to net assets without donor restrictions in the statement of activities.

#### **Income Taxes**

The Organization and CAFCO are not-for-profit corporations which have been granted tax-exempt status under IRC Section 501(c)(3). In addition, they have been determined by the Internal Revenue Services (IRS) not to be private foundations within the meaning of Section 509(a) of the code. Accordingly, these consolidated statements do not reflect a provision for income taxes. The tax returns for the Organization and CAFCO are subject to examination by the IRS generally for three years after they were filed.

#### Support and Revenue

Grants and other contributions of cash and other assets are reported as restricted support if they are received with grantor or donor stipulations that limit the use of the donated assts. When a donor restriction expires (that is, then a stipulated time restriction ends or the purpose of the restriction is accomplished), net assets with donor restrictions are reclassified to net assets without donor restrictions and reported in the consolidated statement of activities as net assets released from restrictions. Contributions of donated services that create or enhance nonfinancial assets or that require specialized skills, and would typically need to be purchased if not provided by the donation, are recorded at their fair market value in the period received.

#### **Donated Services and Materials**

Contributions of noncash assets are recorded at fair value in the period received. Contributions of donated services that create or enhance nonfinancial assets or that require specialized skills, are provided by those persons possessing those skills and would typically need to be purchased if not provided by donation or grant, are then recorded at their fair values in the period received.

#### **Estimates**

The preparation of consolidated financial statements, in conformity with accounting principles generally accepted in the United States of America, required management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

#### Cash and Cash Equivalents

Cash equivalents are stated at cost which approximates market value. For purposes of the consolidated statement of cash flows, the Organization considers all cash investments with maturities of three months or less to be cash equivalents.

#### **Grants Receivable**

Based on past experience, management believes that grants receivable will be fully collectible. Therefore, no allowance was recorded.

#### Inventory

Inventory consists primarily of food and food supplies used in the Organization's client service programs and is stated at the lower of cost (determined by the first-in, first-out method) or market. Amounts held at year-end are considered to be net assets with donor restrictions in accordance with grantor requirements.

#### Investments

The Organization holds a beneficial interest in the Oregon Community Foundation and an investment in mutual funds through a brokerage account at Merrill Lynch. Both investments are recorded at fair market value.

#### **Functional Allocation of Expenses**

The Organization allocates indirect expenses of administrative overhead and other allocable costs to supporting service departments based on various direct costs and other information. The Organization's management reviews and updates these allocations on an annual basis.

The cost of providing various programs and other activities has been summarized on a functional basis in the consolidated statement of activities. Accordingly, certain costs have been allocated among programs and supporting services benefited.

| Depreciation               | Time and effort      |

#### **Compensated Absences**

Compensated absences are recorded as a liability and an expense when earned rather than when paid. When vacation is taken, amounts disbursed for vacation pay are charges against the liability. Compensated absences are valued at current pay rates.

#### **Property and Equipment**

Property and equipment acquired by the Organization are considered to be owned by the Organization. However, government funding sources may maintain an interest in the property purchased with grant funding as well as the right to determine the use of any proceeds from the sale of such assets. The land, building and improvements at the Organization's main location in Redmond, Oregon with a total cost of \$1,236,324, and related accumulated depreciation of \$644,054 as of June 30, 2019, is subject to a land use lease with the City of Redmond whereby upon termination of the lease, title of the property would transfer to the City of Redmond. The lease, after two extension options, expires May 2049. Management deems the likelihood of the lease terminating prior to such date to be remote.

All fixed assets are depreciated using the straight-line method over the estimated useful lives of the assets. The Organization capitalizes all property and equipment with a purchase price of greater than \$5,000 and a useful life of greater than one year.

#### **Comparative Information**

The consolidated financial statements and notes to consolidated financial statements contain certain prior year summarized comparative information in total. Such information does not include sufficient detail to constitute a presentation in conformity with accounting principles generally accepted in the United States of America. Accordingly, such information should be read in conjunction with the Organization's consolidated financial statements for the year ended June 30, 2018, from which the summarized information was derived.

#### **New Accounting Pronouncement**

On August 18, 2016, FASB issued ASU 2016-14, Not-for-Profit Entities (Topic 958) — Presentation of Financial Statements of Not-for-Profit Entities. The update addresses the complexity and understandability of net asset classification, deficiencies in information about liquidity and availability of resources, and the lack of consistency in the type of information provided about expenses and investment return. The Organization has adjusted the presentation of these statements accordingly. The ASU has been applied retrospectively to all periods presented.

#### **NOTE 2 – AVAILABILITY AND LIQUIDITY – CONTINUED**

Considering liquidity exclusively, the Organization's current financial assets are sufficient to satisfy its total obligations. The table above also considers availability of the Organization's financial assets should it be required to satisfy all restrictions on net assets, both imposed externally by donors and grantors, and designated internally.

The Organization's goal is generally to maintain financial assets to meet three months of operating expenses. As part of the Organization's liquidity plan, excess cash is invested in short-term investments, including certificates of deposit.

#### NOTE 3 – STATEMENTS OF CASH FLOWS – NONCASH AND OTHER ITEMS

Cash paid for interest amounted to \$1,277 and \$326 for the years ended June 30, 2019, and 2018, respectively. The Organization paid no income taxes.

#### **NOTE 4 – INVESTMENT IN LLC**

The Organization holds a 51% ownership interest in Housing Impact LLC, an Oregon limited liability company. Although the Organization holds a majority interest in this company, the minority owner, Central Oregon Regional Housing Authority, dba Housing Works, makes all management decisions. As such, the Organization's investment in this company is presented in accordance with the equity method of accounting for investments.

#### **NOTE 5 – NOTES RECEIVABLE – CONTINUED**

The Organization considers all notes receivable to be long-term since collection is contingent on future events and repayments in the near-term cannot be reasonably estimated. Management estimates the net value of long-term notes receivable based on historical experience and adjusts the allowance on an annual basis to report the net realizable value.

#### **NOTE 12 – RETIREMENT PLAN**

The Organization maintains an IRC Section 403(b) Plan that allows eligible employees to defer tax on part of their compensation. During the years ended June 30, 2019, and 2018, employer pension expense totaled \$196,009 and \$175,183, respectively. Employees are eligible to participate after one year of service. The plan provides for a 5% employer contribution to all plan participants.

#### **NOTE 13 – CONTINGENCIES**

#### Grants

The Organization receives grants from various federal, state and local agencies that are subject to review and audit by these agencies. Such audits could result in a request for reimbursement by these agencies for expenditures disallowed under the terms and conditions of the appropriate agency. In the opinion of the Organization's management, such disallowances, if any, will not be significant.

#### **Tax Positions**

The Organization is exempt from federal and state income taxes, with the exception of federal taxes for net profits on unrelated business income, under Internal Revenue Code Section 501(c)(3).

Regarding uncertain income tax positions, the Organization will recognize in its financial statements the benefit of a tax position when it believes that tax position will more likely than not be sustained on audit based on the technical merits of the position.

#### **NOTE 13 – CONTINGENCIES – CONTINUED**

#### Tax Positions - Continued

For an exempt organization, uncertain tax positions could result from unrelated business income activities or actions that jeopardize its status as tax-exempt, such as political activity, substantial lobbying expenditures or excessive unrelated business activities. The Organization has concluded that it had no unrecognized income tax benefits at June 30, 2019, or June 30, 2018, and it has no tax positions for which it estimates a significant change over the next 12 months.

The Organization is subject to examination by state and federal tax authorities. With few exceptions, the Organization is no longer subject to examination by major taxing authorities for years before 2015.

#### **NOTE 14 – FAIR VALUE MEASUREMENT**

Accounting principles generally accepted in the United States of America established a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurement) and the lowest priority to unobservable inputs (level 3 measurements). The three levels of fair value hierarchy are described as follows:

- Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active market that the Organization has the ability to access.
- Level 2 Inputs to the valuation methodology include
  - Quoted prices for similar assets or liabilities in active markets;
  - Quoted prices for identical or similar assets or liabilities in inactive markets;
  - Inputs other than quoted prices that are observable for the asset or liability;
  - Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 – Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

# INDEPENDENT AUDITORS' REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS BASED ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED IN ACCORDANCE WITH GOVERNMENT AUDITING STANDARDS

To the Board of Directors NeighborImpact

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the consolidated financial statements of NeighborImpact and Affiliate (the Organization), which comprise the statement of financial position as of June 30, 2019, and the related consolidated statements of activities, functional expenses and cash flows for the year then ended, and the related notes to the consolidated financial statements and have issued our report thereon dated December 12, 2019.

#### **Internal Control over Financial Reporting**

In planning and performing our audit of the consolidated financial statements, we considered NeighborImpact's internal control over financial reporting (internal control) to determine the audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of NeighborImpact's internal control. Accordingly, we do not express an opinion on the effectiveness of NeighborImpact's internal control.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent or detect and correct, misstatements on a timely basis. A material weakness is a deficiency, or a combination of deficiencies, in internal control such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected on a timely basis. A significant deficiency is a deficiency, or combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

# INDEPENDENT AUDITORS' REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS BASED ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED IN ACCORDANCE WITH GOVERNMENT AUDITING STANDARDS — CONTINUED

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control over financial reporting that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

#### **Compliance and Other Matters**

As part of obtaining reasonable assurance about whether the Organization's financial statements are free of material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

#### **Purpose of this Report**

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the Organization's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the Organization's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

# INDEPENDENT AUDITORS' REPORT ON COMPLIANCE FOR EACH MAJOR PROGRAM AND ON INTERNAL CONTROL OVER COMPLIANCE REQUIRED BY THE UNIFORM GUIDANCE

To the Board of Directors NeighborImpact

### Report on Compliance for Each Major Federal Program

We have audited NeighborImpact's (the Organization), compliance with the types of compliance requirements described in the *OMB Compliance Supplement* that could have a direct and material effect on each of the Organization's major federal programs for the year ended June 30, 2019. The Organization's major federal programs are identified in the summary of auditors' results section of the accompanying schedule of findings and questioned costs.

#### Management's Responsibility

Management is responsible for compliance with the requirements of laws, regulations, contracts and grants applicable to its federal programs.

#### Auditors' Responsibility

Our responsibility is to express an opinion on compliance for each of the Organization's major federal programs based on our audit of the types of compliance requirements referred to above. We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States; and the audit requirements of Title 2 Unites States *Code of Federal Regulations* Part 200, *Uniform Administrative Requirements, Cost Principles and Audit Requirements for Federal Awards* (Uniform Guidance). Those standards and the Uniform Guidance require that we plan and perform the audit to obtain reasonable assurance about whether noncompliance with the types of compliance requirements referred to above, could have a direct and material effect on a major federal program occurred. An audit includes examining, on a test basis, evidence about the Organization's compliance with those requirements and performing such other procedures as we considered necessary in the circumstances.

We believe that our audit provides a reasonable basis for our opinion on compliance for each major federal program. However, our audit does not provide a legal determination of the Organization's compliance.

# INDEPENDENT AUDITORS' REPORT ON COMPLIANCE FOR EACH MAJOR PROGRAM AND ON INTERNAL CONTROL OVER COMPLIANCE REQUIRED BY THE UNIFORM GUIDANCE – CONTINUED

#### **Unmodified Opinion on Each Major Federal Program**

In our opinion, the Organization complied, in all material respects, with the types of compliance requirements referred to above that could have a direct and material effect on each of its major federal programs for the year ended June 30, 2019.

#### **Report on Internal Control Over Compliance**

Management of the Organization is responsible for establishing and maintaining effective internal control over compliance with the types of compliance referred to above. In planning and performing our audit of compliance, we considered the Organization's internal control over compliance with the types of requirements that could have a direct and material effect on each major federal program to determine the auditing procedures that are appropriate in the circumstances for the purpose of expressing an opinion on compliance for each major federal program and to test and report on internal control over compliance in accordance with the Uniform Guidance, but not for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, we do not express an opinion on the effectiveness of the Organization's internal control over compliance.

A deficiency in internal control over compliance exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, noncompliance with a type of compliance requirement of a federal program on a timely basis. A material weakness in internal control over compliance is a deficiency, or combination of deficiencies, in internal control over compliance, such that there is a reasonable possibility that material noncompliance with a type of compliance requirement of a federal program will not be prevented, or detected and corrected, on a timely basis. A significant deficiency in internal control over compliance is a deficiency, or a combination of deficiencies, in internal control over compliance with a type of compliance requirement of a federal program that is less severe than a material weakness in internal control over compliance, yet important enough to merit attention by those charged with governance.

Our consideration of internal control over compliance was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control over compliance that might be material weaknesses or significant deficiencies. We did not identify any deficiencies in internal control over compliance that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

The purpose of this report on internal control over compliance is solely to describe the scope of our testing of internal control over compliance and the results of that testing based on the requirements of the Uniform Guidance. Accordingly, this report is not suitable for any other purpose.
