INDEPENDENT AUDITOR'S REPORT

To the Board of Directors
NeighborImpact and Supporting Organization
Redmond, Oregon

We have audited the accompanying consolidated statement of financial position of NeighborImpact (a nonprofit organization), and its supporting organization, Community Action Foundation of Central Oregon, as of June 30, 2009, and the related consolidated statements of activities, functional expenses, and cash flows for the year then ended. These consolidated financial statements are the responsibility of the organizations' management. Our responsibility is to express an opinion on these consolidated financial statements based on our audit. The prior year summarized comparative information has been derived from the organizations' June 30, 2008 financial statements and, in our report dated November 21, 2008, we expressed an unqualified opinion on those financial statements.

We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the consolidated financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the consolidated financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall consolidated financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.

In our opinion, the consolidated financial statements referred to above present fairly, in all material respects, the financial position of NeighborImpact, and its supporting organization, Community Action Foundation of Central Oregon, as of June 30, 2009, and the changes in its net assets and its cash flows for the year then ended in conformity with accounting principles generally accepted in the United States of America.

In accordance with *Government Auditing Standards*, we have also issued our report dated November 23, 2009 on our consideration of NeighborImpact's internal control over financial reporting and our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* and should be considered in assessing the results of our audit.

Our audit was conducted for the purpose of forming an opinion on the consolidated financial statements of Neighborimpact, and its supporting organization, Community Action Foundation of Central Oregon, taken as a whole. The supplemental information, as listed in the table of contents, is presented for purposes of additional analysis and is not a required part of the consolidated financial statements. The accompanying schedule of expenditures of federal awards is presented for purposes of additional analysis as required by U.S. Office of Management and Budget Circular A-133, *Audits of States, Local Governments, and Non-Profit Organizations*, and is not a required part of the basic financial statements. Such information has been subjected to the auditing procedures applied in the audit of the consolidated financial statements and, in our opinion, is fairly stated, in all material respects, in relation to the consolidated financial statements taken as a whole.

NEIGHBORIMPACT AND SUPPORTING ORGANIZATION
NOTES TO CONSOLIDATED FINANCIAL STATEMENTS

1. Summary of Significant Accounting Policies

Organization

From 1985 to date, NeighborImpact (the Organization), has been recognized by the Oregon Housing and Community Services Department (OHCSO) as a community action agency to serve Crook, Deschutes, and Jefferson Counties. It is organized as a 501(c)(3) charitable corporation. A 15 member volunteer board is responsible for setting policy and direction for the Organization. Its service area encompasses all of Crook, Deschutes, and Jefferson Counties in a region known as Central Oregon. The Organization maintains over 17 offices and classroom sites in the communities of La Pine, Bend, Redmond, Sisters, Prineville, and Madras.

NeighborImpact is dedicated to empowering individuals and families to succeed and become engaged citizens in the community. NeighborImpact's mission is delivered through the services provided by its three largest department areas: Emergency Services and Food, Early Care and Education, and Housing Center. NeighborImpact takes a team approach in providing comprehensive services that build on the strengths of the customer in order to increase assets in the following areas:

- Personal (job skills and education/school readiness)
- Financial (earnings, income, savings)
- Social (formal and informal support networks)
- Family (family functioning and stability)

NeighborImpact believes that assets help people through times of need and to realize their hopes and dreams for the future. The Organization's strategy in building assets is accomplished through communication, collaboration, and coordination of services across program areas and in partnership with customers and community.

NeighborImpact provides the following services to assist low and moderate income residents of Central Oregon:

Consolidation Policy

The accompanying consolidated financial statements include the accounts of the Organization and those of its supporting organization, Community Action Foundation of Central Oregon (CAFCO). NeighborImpact has control over appointments to the board of CAFCO, so consolidation is required under generally accepted accounting principles. Once appointed, NeighborImpact does not have the ability to remove board members of CAFCO and NeighborImpact does not control the activity of CAFCO. Inter-organization transactions and balances have been eliminated in consolidation.

Basis of Accounting

The accompanying consolidated financial statements have been prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America.

Income Taxes

The Organization is a not-for-profit corporation which has been granted tax-exempt status under code section 501(c)(3). In addition, the Organization has been determined by the Internal Revenue Service not to be a private foundation within the meaning of Section 509(a) of the code. Accordingly, these statements do not reflect a provision for income taxes.

NEIGHBORIMPACT AND SUPPORTING ORGANIZATION
NOTES TO CONSOLIDATED FINANCIAL STATEMENTS

1. Summary of Significant Accounting Policies, continued

Support and Revenues

Grants and other contributions of cash and other assets are reported as temporarily restricted support if they are received with grantor or donor stipulations that limit the use of the donated assets. When a donor restriction expires, that is, when a stipulated time restriction ends or the purpose of the restriction is accomplished, temporarily restricted net assets are reclassified to unrestricted net assets and reported in the statement of activities as net assets released from restrictions. Contributions of donated noncash assets are recorded at their fair values in the period received. Contributions of donated services that create or enhance nonfinancial assets or that require specialized skills, and would typically need to be purchased if not provided by the donation, are recorded at their fair values in the period received.

Estimates

The preparation of consolidated financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

Cash and Cash Equivalents

Cash equivalents are stated at cost which approximates market value. For purposes of the consolidated statement of cash flows, the Organization considers all cash investments with maturities of three months or less to be cash equivalents.

Grants Receivable

Management believes that grants receivable will be fully collectible. Therefore, no allowance was recorded.

Functional Allocation of Expenses

The costs of providing various programs and other activities have been summarized on a functional basis in the consolidated statement of activities. Accordingly, certain costs have been allocated among programs and supporting services benefited.

Inventory

Inventory consists primarily of food and food supplies used in the Organization's client service programs and is stated at the lower of cost, determined by the first-in, first-out method, or market. Amounts held at year end are considered to be temporarily restricted in accordance with grantor requirements.

Compensated Absences

Compensated absences is recorded as a liability and an expense when earned rather than when paid. When vacation is taken, amounts disbursed for vacation pay are charged against the liability. Compensated absences is valued at current pay rates.

NEIGHBORIMPACT AND SUPPORTING ORGANIZATION
NOTES TO CONSOLIDATED FINANCIAL STATEMENTS

1. Summary of Significant Accounting Policies, continued

Allocation of Supporting Service Expenditures

The Organization allocates indirect expenses of administrative overhead and other allocable costs to supporting service departments based on various direct costs and other information. The Organization's management reviews and updates these allocations on an annual basis.

Fixed Assets

Fixed assets acquired by the Organization are considered to be owned by the Organization. However, federal and state funding sources may maintain an interest in the property purchased with grant funding as well as the right to determine the use of any proceeds from the sale of such assets. Fixed assets are depreciated using the straight-line method over estimated useful lives of the assets. The Organization capitalizes all property and equipment with a purchase price of greater than \$5,000 and a useful life of greater than one year.

Prior Year Summarized Information

The consolidated financial statements and notes to consolidated financial statements contain certain prior year summarized comparative information in total. Such information does not include sufficient detail to constitute a presentation in conformity with accounting principles generally accepted in the United States of America. Accordingly, such information should be read in conjunction with the Organization's financial statements for the year ended June 30, 2008, from which the summarized information was derived.

Notes receivable totaling \$3,997,534 are secured by property purchased or improved. These notes are a concentration of credit risk. Additionally, the Organization receives approximately 95 percent of its funding from grants and contracts. Management does not anticipate a reduction in funding.

8. Related Party Transactions

The Organization leases its Redmond administrative facilities from the Community Action Foundation of Central Oregon, Inc. (CAFCO). CAFCO is a supporting non-profit corporation formed exclusively to support the charitable purposes of NeighborImpact. Located in Redmond, Oregon, it is the general partner of the Deschutes Family Housing Limited Partnership, an Oregon limited partnership formed to own and operate the Bill Healy Family Center (Healy Heights Apartments), and the Madras Family Housing Limited Partnership, an Oregon limited partnership formed to own and operate the Madras Family Housing Center. NeighborImpact provides significant accounting and operations support to these partnerships. Included in the consolidated financial statements are notes receivable at June 30, 2009, from the Deschutes Family Housing Limited Partnership in the amount of \$501,393. This note was incurred in connection with the construction of the Bill Healy Family Center. Additionally, notes receivable in the amount of \$444,167 are due from the Madras Family Housing Limited Partnership in connection with the construction of Madras Town Homes. Since collection of these notes receivable is contingent upon future available capital of the projects and other restrictions, the notes will be deferred until collection.

9. Permanently Restricted Funds

NeighborWorks America provided a \$100,000 capital grant during the year ended June 30, 2009 and \$735,000 from prior years totaling \$835,000 of funds for making loans and for capital projects. This amount is permanently restricted although proceeds on capital projects, or interest earned, over the corpus may be transferred to unrestricted net assets for furthering the Organization's mission. NeighborImpact was notified during 2009 by NeighborWorks America that they may release \$173,500 from restriction. This amount has been reclassified. Should the Organization become defunct, all remaining grant funds, interest earnings, capital project proceeds, and loan and capital project portfolios representing the use of these funds will revert to NeighborWorks America. The Organization invested the capital grant in U.S. Treasury bills in order to comply with grantor requirements. As of June 30, 2009, the Organization held 13 loans totaling \$237,086 in connection with this program, in addition to a \$110,000 note receivable from Deschutes Family Housing Limited Partnership (see Note 4) made in connection with this grant. There were no loans as of June 30, 2009, that were considered to be delinquent.

NOTES TO CONSOLIDATED FINANCIAL STATEMENTS

10. Retirement Plan

The Organization maintains a Simplified Employee Pension (SEP) plan for eligible employees. During the year ended June 30, 2009, employer pension expense totaled \$137,732.

11. Contingency

The Organization receives grants from various federal, state, and local agencies that are subject to review and audit by these agencies. Such audits could result in a request for reimbursement by these agencies for expenditures disallowed under the terms and conditions of the appropriate Organization. In the opinion of the Organization's management, such disallowances are not anticipated and, if any, would not be significant.

12. Restatement

In order to enhance the comparability of the financial statement amounts, the prior year summarized comparative information has been restated to include the balances of Community Action Foundation of Central Oregon. This change increases net assets at July 1, 2008 by \$1,059,346.

13. Subsequent Events

The existence of subsequent events has been considered through November 23, 2009.

**REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING
AND ON COMPLIANCE AND OTHER MATTERS BASED ON AN AUDIT OF
FINANCIAL STATEMENTS PERFORMED IN ACCORDANCE
WITH GOVERNMENT AUDITING STANDARDS**

To the Board of Directors
NeighborImpact and Supporting Organization
Redmond, Oregon

We have audited the consolidated financial statements of NeighborImpact (a nonprofit organization) and its supporting organization, Community Action Foundation of Central Oregon, as of and for the year ended June 30, 2009, and have issued our report thereon dated November 23, 2009. We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States.

Internal Control Over Financial Reporting

In planning and performing our audit, we considered NeighborImpact and its supporting organization's internal control over financial reporting as a basis for designing our auditing procedures for the purpose of expressing our opinion on the consolidated financial statements, but not for the purpose of expressing an opinion on the effectiveness of NeighborImpact's internal control over financial reporting. Accordingly, we do not express an opinion on the effectiveness of the organization's internal control over financial reporting.

A *deficiency in internal control* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct misstatements on a timely basis. A *material weakness* is a deficiency, or combination of deficiencies, in internal control such that there is a reasonable possibility that a material misstatement of the organization's financial statements will not be prevented, or detected and corrected on a timely basis.

Our consideration of internal control over financial reporting was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control over financial reporting that might be deficiencies, significant deficiencies, or material weaknesses. We did not identify any deficiencies in internal control over financial reporting that we considered to be material weaknesses, as defined above.

Compliance and Other Matters

As part of obtaining reasonable assurance about NeighborImpact and its supporting organization's consolidated financial statements are free of material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts and grant agreements, noncompliance with which could have a direct and material effect on the determination of consolidated financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit and, accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

This report is intended solely for the information and use of the Board of Directors, management, and others within the organization, and federal awarding agencies and pass-through entities and is not intended to be and should not be used by anyone other than these specified parties.

**REPORT ON COMPLIANCE WITH REQUIREMENTS APPLICABLE TO EACH
MAJOR PROGRAM AND ON INTERNAL CONTROL OVER COMPLIANCE IN
ACCORDANCE WITH OMB CIRCULAR A-133**

To the Board of Directors
NeighborImpact and Supporting Organization
Redmond, Oregon

Compliance

We have audited the compliance of NeighborImpact (a nonprofit organization) and Supporting organization with the types of compliance requirements described in the U.S. Office of Management and Budget (OMB) *Circular A-133 Compliance Supplement* that are applicable to each of its major federal programs for the year ended June 30, 2009. NeighborImpact and its supporting organization's major federal programs are identified in the summary of auditor's results section of the accompanying schedule of findings and questioned costs. Compliance with the requirements of laws, regulations, contracts, and grants applicable to each of its major federal programs is the responsibility of NeighborImpact and its supporting organization's management. Our responsibility is to express an opinion on NeighborImpact and its supporting organization's compliance based on our audit.

We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States; and OMB Circular A-133, *Audits of States, Local Governments, and Non-Profit Organizations*. Those standards and OMB Circular A-133 require that we plan and perform the audit to obtain reasonable assurance about whether noncompliance with the types of compliance requirements referred to above that could have a direct and material effect on a major federal program occurred. An audit includes examining, on a test basis, evidence about NeighborImpact and its supporting organization's compliance with those requirements and performing such other procedures as we considered necessary in the circumstances. We believe that our audit provides a reasonable basis for our opinion. Our audit does not provide a legal determination of NeighborImpact and its supporting organization's compliance with those requirements.

In our opinion, NeighborImpact and its supporting organization complied, in all material respects, with the requirements referred to above that are applicable to each of its major federal programs for the year ended June 30, 2009.

Internal Control Over Compliance

The management of NeighborImpact is responsible for establishing and maintaining effective internal control over compliance with the requirements of laws, regulations, contracts, and grants applicable to federal programs. In planning and performing our audit, we considered NeighborImpact and its supporting organization's internal control over compliance with requirements that could have a direct and material effect on a major federal program in order to determine our auditing procedures for the purpose of expressing our opinion on compliance, but not for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, we do not express an opinion on the effectiveness of NeighborImpact and its supporting organization's internal control over compliance.

A *deficiency in internal control* in an organization's internal control over compliance exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent or detect noncompliance with a type of compliance requirement of a federal program on a timely basis. A *material weakness* is a deficiency, or combination of deficiencies, such that there is a reasonable possibility that material noncompliance with a type of compliance requirement of a federal program will not be prevented, or detected and corrected on a timely basis.

Our consideration of internal control over financial reporting was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control over compliance that might be deficiencies, significant deficiencies, or material weaknesses. We did not identify any deficiencies in internal control over compliance that we considered to be material weaknesses, as defined above.
