If you have any questions, please contact us at homewx@neighborimpact.org or 541-316-2034.

An additional requirement of this program is for at least one household member to attend an energy education workshop at an in person workshop or online. We will coordinate with you to sign you up for a class. If you are not able to attend, please contact us.

Please note that homeowners, by signing the enclosed Weatherization Supplemental form, agree not to sell their home for one year after the weatherization is completed. A homeowner who does sell their home within one year after the weatherization is completed will be held responsible to repay NeighborImpact all funds spent on weatherizing the home.

Please note that landlords, by signing the enclosed Weatherization Supplemental form, agree to not raise the rent amount or evict tenant(s) for one year after the weatherization is completed if all other aspects of the tenant agreement remain the same.

Finally, depending on the condition of your home, NeighborImpact may require necessary repairs prior to proceeding with weatherization. Some examples are clean up of debris or correction of structural, plumbing or electrical issues. You will be provided a list of necessary repairs and a time frame to complete the repairs in writing.
