Ask us about households larger than 10.
*Gross income means all household income before any deductions

In order to process your application, we will need you to complete the enclosed Application form, Weatherization Supplemental form and Declaration of Household Income form. All household members 18 and over, currently not in high school, and who currently do not receive income, should be listed on the Declaration of Household Income (DHI) form.

In addition to completed forms, we will need copies of the following documents. **Please do not send original documents to us.**

- Proof of income for all household members over 18 who are not in high school
- Copy of electric bill
- Copy of gas bill, if applicable
- Copy of the mortgage statement or deed or manufactured structure ownership document

If you receive any of the following types of income, please include copies of:

- Wages - copies of paycheck stubs for 60 days prior to date on application
- Social Security, SSDI or SSI - current year benefit verification letter
- Pension – payment statement, award letter
- Temporary Assistance for Needy Families (TANF) - award letter
- Alimony or child support - award letter or child support case number

If you rent your home, you must provide your property owner's information and signature on the Weatherization Supplemental form. We do not provide weatherization to renters without the agreement and permission of their property owner.
If you have any questions, please contact us at homewx@neighborimpact.org or 541-316-2034.

An additional requirement of this program is for at least one household member to attend an energy education workshop at an in person workshop or online. We will contact you about the Energy Education Class after your complete application is processed. If you are not able to attend, please contact us.

Please note that homeowners, by signing the enclosed Weatherization Supplemental form, agree not to sell their home for one year after the weatherization is completed. A homeowner who does sell their home within one year after the weatherization is completed will be held responsible to repay NeighborImpact all funds spent on weatherizing the home.

Please note that landlords, by signing the enclosed Weatherization Supplemental form, agree to not raise the rent amount or evict tenant(s) for one year after the weatherization is completed if all other aspects of the tenant agreement remain the same.

Finally, depending on the condition of your home, NeighborImpact may require applicants to complete necessary repairs prior to proceeding with weatherization. Some examples are clean up of debris or correction of structural, plumbing or electrical issues. You will be provided a list of necessary repairs and a time frame to complete the repairs in writing.
