NeighborImpact will practice equal employment opportunity and will not illegally discriminate based on race, color, religion, sex, pregnancy, gender identity, sexual orientation or gender identity, age, national origin, physical or mental disability, military or veteran status, genetic information, citizenship status, or any other protected classification in accordance with applicable federal, state, and local laws. Additionally, it is the special policy of NeighborImpact not to discriminate against any individual based on their political affiliation/beliefs.
- 2. Confidentiality:** All employees must maintain the highest degree of confidentiality concerning information they may receive from our program and business customers. This is particularly important to the nature of our mission in order that we can be most effective in our assistance to our participants as well as earn their trust and confidence.

3. Employee Status at NeighborImpact:

Introductory Period Employee: Each new NeighborImpact employee serves at least a six month trial period.

Full Time Employee: An employee who regularly works a minimum of 30 hours a week or more on a continuing basis is considered Full Time. A Full-Time Employee has completed the Trial Period and is eligible for all benefits within the limits stated for each benefit. Typically, 90 days for medical insurance and 1st of the month following the 90th day for all other benefits.

Part-Time Employee: An employee who regularly works less than 30 hours a week on a continuing basis is considered to be Part-Time. A Part-Time employee who has completed the Trial Period is eligible for some benefits on a pro-rata Full Time Equivalency (FTE) basis when regular time scheduled is between 20-29 hours per week within the limits stated for each benefit. Check with HR for more information about which Part-Time levels receive which benefits.

Part-Time Employees who regularly works **less** than 20 hours per week are ineligible for all employer funded benefits with the exception of the Retirement benefit within the limits stated for this benefit, the EAP (Employee Assistance Plan), EAP Wellness Plan, and sick leave under the Oregon Sick Leave Law. Some optional benefits are available for participation paid by the employee. Refer to the Employee Benefits Highlights book available from HR.

Temporary Employee: An employee who is hired on a project basis for a fixed duration with a definite ending date is considered to be Temporary. The employment period will generally not exceed six months. A Temporary Employee does not serve a Trial Period and is ineligible for employer benefits except those mentioned above under Part-Time work less than 20 hours.

On Call Employee: An employee who is hired on a project or program basis who works occasionally with no regular schedule is considered to be On Call. An On Call Employee does not serve a Trial Period and is ineligible for employer benefits except those mentioned above under Part-Time work less than 20 hours.

Bargaining Unit Employee: Certain new employees hired into a Bargaining Unit position in the Head Start Program at NeighborImpact will be represented by the OSEA Union. Dues or Representation fees are required by law to be deducted from the pay of these employees. A Collective Bargaining agreement supersedes most Oregon at-will rules and the NeighborImpact Handbook, if different.

The plan ends on 8/31, and begins anew on 9/1, annually. Currently, the annual amount is \$300 and is pro-rated by start date.
- d. NeighborImpact offers a Flexible Spending Plan for unreimbursed medical expenses and for child care expenses to benefited employees.
